

Why MirrorTissue™

is the best innovative solution for
plant-based applications

***10%**

more natural ingredients
than our regular
MirrorTissue product

It's **clean label*** and
allergen-free

MirrorTissue™ has
excellent **appearance,**
juiciness, flavor release
and mouthfeel.

MirrorTissue™ is **versatile,**
customizable and **perfect for**
consumers leaning towards
plant-based products

MirrorTissue™ can
be **flavored:**

Pork

Chicken

Beef

Can impact **saturated fats**
and have less fat release
versus products made with
coconut oil

At FIE Frankfurt 2023, MirrorTissue was
chosen as the best innovative solution for
plant-based applications

Our tailor-made solutions are currently under development, and the results obtained may vary depending on the specific characteristics of each client and product.
